

Exhibitor Information

On behalf of the American Association for Artificial Intelligence, we invite you to participate in the exhibit program for the Nineteenth National Conference on Artificial Intelligence and the Sixteenth Conference on Innovative Applications of Artificial Intelligence, to be held July 25-29, 2004 in San Jose, California.

Each year the AAAI conference brings together over 1,000 AI researchers and practitioners from around the world. Your participation in the AAAI-04/IAAI-04 Exhibit Program is an excellent and cost-effective way to reach the leading scientists who are conducting groundbreaking research in artificial intelligence.

Whether you want to showcase your intelligent technology services to the AI community, or tap into this incredible source of talent, AAAI-04 is the premier venue to accomplish these goals. For more information about exhibiting at AAAI, please write to ncai04@aaai.org or visit the AAAI website:
